T: 214.420.4047

F: 214.692.6255

Grant Tucker is an associate in the Litigation section of Wick Phillips. Grant is an electrical engineer and registered patent attorney with experience handling a wide variety of commercial litigation matters, including patent, theft of trade secrets, and breach of contract disputes. He also has experience preparing and prosecuting patent and trademark applications.

Prior to joining Wick Phillips, Grant practiced in Austin at Williams Simons & Landis focusing on patent and IP litigation. Before law school, Grant authored a publication regarding the ethical development of sentient robotics which he presented in the 2015 ISEE International Symposium on Technology in Society.
