

THREE ATTORNEYS FROM WICK PHILLIPS LISTED IN THE BEST LAWYERS IN AMERICA® 2016

DALLAS, Texas, June 23, 2015 – Three attorneys from Wick Phillips have been named in The Best Lawyers in America® 2016, a peer-review honor for the legal profession. Erika Bright, Bryan Wick and Brant Martin were selected for inclusion.

Since it was first published in 1983, Best Lawyers® has developed a reputation as the most respected peer-review publication in the legal profession and a definitive guide to legal excellence. Inclusion is based entirely on an exhaustive peer-review evaluation and the methodology is designed to capture the consensus opinion of leading lawyers about the professional abilities of their colleagues.

"We are very proud that Erika, Bryan and Brant were selected as Best Lawyers®. Their inclusion on the list confirms that Wick Phillips has a talented and diverse group of attorneys," noted Todd Phillips, a founding partner of the firm. "It is always gratifying and humbling to receive recognition from our peers."

For the 2016 Edition of The Best Lawyers in America®, 6.7 million votes were analyzed, which resulted in approximately 4 percent of the nation's lawyers being included in the new edition. Achieving a place on the list reflects both the quality of an attorney's law practice and breadth of legal experience.

Serving the legal needs of businesses in a broad range of industries, Wick Phillips practices law with purpose. Practice areas include commercial litigation and appeals, oil and gas litigation, insurance coverage, real estate, corporate, labor and employment, bankruptcy, estate planning and tax.
